III. **Pledge of Allegiance**

IV. **Welcome Visitors and Guests**

Mayor Rufus Callaham welcomed all visitors and guests.

V. **Repayment of State Infrastructure Loan**

Council Member Jay West made the motion for the City of Belton to use the money in the State Local Government Investment Pool along with Belton's Pretreatment Reserve Money to pay-off the balance of the SC State Infrastructure Revolving Fund Loan. Council Member Wendell Page seconded the motion. Motion carried unanimously. The USDA wants first lien position on the long term bond, for this to happen the State would have to consent to this because of the City's current loan with them. In order to move forward with the long term financing once the construction phase is done it is quicker to proceed with the pay-off.

**Adjournment**

Council, with no further business, adjourned for the evening. The motion to approve adjournment was made by Mayor Rufus Callaham. Motion carried unanimously.

VI.

Respectfully Submitted,

---

City Clerk
