REPEAL (Cancel) of the Boil Water Advisory

Effective Thursday, August 25, 2016 at 4:30 p.m., the City of Belton Combined Utilities advises their water customers that they no longer need to boil their water prior to drinking or cooking.

Following bacteriological samples collected and analyzed by a D.H.E.C. certified laboratory, the results of this sampling indicate that the system is safe to use for drinking and cooking purposes.

If you should have any questions concerning this repeal of the advisory, you may call the City of Belton Combined Utilities at 864-338-0058, x402.

Thank you,

Scott Hanks
